

Strategic Business Parks Project

01352 703063 / 01978 667300

brian.chaloner@flintshire.gov.uk

rebecca.morgan@wrexham.gov.uk

This is a unique project which aims to co-ordinate a range of activities and events to enhance and develop the economic and environmental prosperity of Deeside Industrial Park and Wrexham Industrial Estate. The project supports businesses in addressing their issues and aspirations, supports their development and facilitates improvements to the Industrial Estate environment, by seeking to address individual and shared needs.
